A Little History Of Literature

A Little History of Literature by John Sutherland is a guide to literature "from Gilgamesh to Harry Potter" for "young readers and the grown-ups in their lives." I liked this book and would have given it 4 stars, but I have a reservation about Sutherland's gratuitous political interjections (see below).

Literature has been a part of human life for thousands of years, as a form of expression, communication and storytelling. Beginning as oral tradition and myth, it has changed and evolved to become the novels, poetry and short stories we know today. Writing a single book on the topic seems absurd; however, this is exactly what John Sutherland has attempted to do in A Little History of ...
