The Unauthorized Field Guide to the Hunt was a \*wildly\* enjoyable read that sucked me in from the very start and didn't let go until the very last page. I devoured this book in a DAY and desperately wished there was more immediately after. While the synopsis is a bit misleading, and the story is more about Shane and his cat, it is so well ...

This "unauthorized guide" presents glosses on the names used in the Hunger Games series. There are etymologies of the nature names from the districts and histories of the Romans whose names characters from the Capitol held. The connections between the word histories and the stories are sometimes eye-opening even if sometimes a bit of a stretch.
