I've been deciding whether to buy this book and add it to my collection of folk tales from places I've traveled to. Thankfully, I've been able to borrow and read Khoreutees copy before making my decision—and the decision is yes, if just for the Introduction alone. The book provides a good collection of the Burmese folk tales, probably not available in such number or in English elsewhere.

The Burmese harp resembles a long tailed boat with a thick bottom and its end tapers to a fine delicate end very like the sails of a boat. Thi Hah loved to play, for when he played, he would forget he was hungry or that there was nobody in the world to love him. But unknown to the orphan boy, the birds and animals would listen with rapt attention.
